Normal

A **snowman** is an [anthropomorphic snow sculpture](#) of a man often built in regions with sufficient snowfall and is a common [winter](#) tradition. In many places, typical snowmen consist of three large snowballs of different sizes with some additional accoutrements for facial and other features. Due to the sculptability of snow, there is also a wide variety of other styles.

**Tourism** is [travel](#) for pleasure, and the commercial activity of providing and supporting such travel. The [World Tourism Organization](#) defines tourism more generally, in terms which go "beyond the common perception of tourism as being limited to holiday activity only", as people "travelling to and staying in places outside their usual environment.

Tourism can be [domestic](#) (within the traveller's own country) or [international](#), and international tourism has both incoming and outgoing implications on a country's [balance of payments](#). Tourism

# Today Fashions NEWSPAPER

## WEEKLY TRENDS

This week's biggest fashion trend that many people are wearing is casual fashion, because it is summer and the holiday season, and people prefer to dress casually rather than formally.

Many clothes sellers are also flooded with orders for casual clothes because there is so much demand for casual clothes. Even though there are many well-known shops, sellers of ordinary clothes are also flooded with orders at this time.

## MEN'S FASHION

Men's fashion has also experienced a sharp increase in sales of fashion items. This is also supportive because many outfits of the day are being talked about so many people come to do this.

Many of them are even willing to spend a lot of money just on their clothes and clothing needs, which may be at unreasonable and unreasonable prices, but these people are very active in doing things to buy clothes at high and unreasonable prices.
